

✂ Catering to nourish our community

Pay it forward

Catering with us enables us to offer a healthy, affordable Mission Meal at the Foodlink Community Café for our customers who are unable to pay the listed price on the menu. All proceeds support Foodlink's mission of ending hunger and building healthier communities.

Support aspiring chefs

You support the launch of culinary careers when you cater with us, by providing opportunities for apprentices in the Foodlink Career Fellowship to practice their skills and serve the public—invaluable on-the-job training.

Make a difference

An average catering order from the Foodlink Community Café for 15 guests (tray of assembled sandwiches, deli side, & cookie tray) offsets the cost of 68 Mission Meals sold at our café, and allows us to continue to provide nourishing, delicious, and affordable food for all!
